

Thank you for joining The H2O Project. Your participation will change the life of someone who needs clean water. Because The H2O Project never takes a "cut" of your donation, we keep our costs at a minimum by making most of our supplies available via download from www.theh2oproject.org. Please be sure to check out all we have waiting for you there. There's also a checklist on the back of this page.

And when you're finished, be sure to let me know how it went by using the form on the bottom of this letter. I look forward to hearing from you! With Joy, *Brenda Heinis*
 Founder

Give us your feedback! We'd love to know how it went.

(You can also use our online feedback form: <http://www.theh2oproject.org/feedback.html>) **OR**
